

ABOUT US

Founded in 1982, the West Virginia Association of Medical Staff Services (WVAMSS) is an education and leadership organization for medical staff and credentialing professionals, as well as individuals working in related fields of quality, risk management, healthcare law and regulatory compliance. WVAMSS is dedicated to advancing skills and recognition by providing resources, education, and networking opportunities to its membership.

“Patient quality and safety starts with YOU, the MSSP”

WHAT DOES MEMBERSHIP IN WVAMSS MEAN TO YOU?

EDUCATION: Attendance at educational sessions/conferences help members increase their knowledge base within the field and remain current with the most up-to date information in State and National regulatory compliance. Members obtain free or reduced fees on educational opportunities sponsored by WVAMSS, that are held right here in WV.

GROUP CHAT: A group chat is available through WVHA. Have questions that need a quick answer? Want to poll fellow MSSPs on processes or procedures? WV colleagues are there to assist.

NETWORKING: Getting to know your peers provides valuable opportunities for the exchange of information within the profession.

MENTORSHIP: The WVAMSS Mentorship Program is a mentoring matching program that connects you with meaningful professional relationships across the medical services community in West Virginia.

CERTIFICATION: Get NAMSS certified and show your employers, peers, and the industry you are dedicated to your profession, career and most importantly being a gatekeeper of patient safety. The NAMSS certification program establishes industry standards and serves as a comprehensive measure of knowledge in the field. To learn more about NAMSS certification, visit: www.namss.org/certification

ADVOCACY: NAMSS/WVAMSS provides MSPs with resources and tools to advocate for their essential role as gatekeepers of patient safety.
